TRUE NORTH CHURCH

THANKING GOD FOR HIS FAITHFULNESS AND BELIEVING HE IS NOT DONE YET.

MESSAGE FROM PASTOR JESSE

Thank you all so much for your continued support of the vision of True North Church. Over the years, I have witnessed so many of you grow in your generosity, servanthood and devotion to Christ. Your heart for Jesus continues to change our community and allows people to meet Jesus and move from death to life. 2019 was a groundbreaking year in the life of our church with significant increase and strength added in many areas. I encourage you to never take for granted what is happening here in the life of True North. As you look over numbers and statistics from 2019 in this booklet, keep in mind that those each of those numbers represent real people who God loves and whose lives have been transformed by the power of the gospel. I believe what we've seen as a family is truly only the beginning of what God desires to happen through His Church. Be expectant, stir your faith, be willing to be led by the Spirit. I believe this year we will step into even greater influence, walk with greater faith, and see more of the impossible happen on a regular basis. Our best days are still ahead!

GROWTH TRACK

Here at True North Church we believe everyone has a next step. There is no retirement in Christianity. We are made to move, grow and draw closer to Jesus with each passing day. This is why next steps are so important, we are following after our Savior who is always doing something new. We are either moving towards Him and towards our calling or we're not living the abundant life that He has called us to. Let's celebrate the steps of faith and life change.

We are a next generation church, but we're not just raising up the leaders of tomorrow. Our youth and even our Compass Kids are leaders right now, walking confidently in their schools and circles of friends, introducing people to Jesus, inviting them to church, being plugged in and serving and helping to disciple other kids to be fully devoted followers of Christ. They aren't just the church of tomorrow, they are the church today.
