

COMPASS KIDS SAFETY GUIDELINES

What we're doing to help kids stay healthy...

Advance Registration – Capacity in Compass Kids environments will be strategically limited within each age group. Parents must register kids in advance to reserve a spot at their preferred service. Please make seat reservations in the main service first. You will be prompted to indicate if you will be registering kids and you will receive a separate email with instructions to register your kids for CK. (All services may not offer Compass Kids program so please check in advance).

Temperature Checks – All CK staff, volunteers and children will receive a contactless temperature check upon arrival. Any person or child with a temperature above 100.4 will not be permitted to serve or participate in CK that day.

Handwashing - We will require all children's hands to be washed with soap and warm water upon arrival to any CK environment (including our Mom & Baby Nest room). At pick up, every child will be offered hand sanitizer. Team members are also required to wash hands upon arrival to a CK room and sanitize frequently during our programs.

Distancing – In CK rooms, distancing guidelines will be communicated and in place. While we will implement these practices with fidelity, we cannot guarantee a contactless experience.

Sanitization - We will continue to sanitize toys, surfaces, craft items, bathrooms and common areas between each service as well mid-service as needed. We have upgraded sanitization equipment to include multiple electrostatic cleaning machines that thoroughly clean and eliminate germs on contact.

How can you help...

In the last 14 days, if you, your child, or an immediate family member have been experiencing symptoms of a cough, runny nose, shortness of breath, fever, or if you have had in-person contact with someone diagnosed with COVID-19, please do not attend an in-person service and plan to worship with us online instead.

If your child has a serious underlying medical condition or you believe they are in a high-risk category, please continue worshipping with us online.
