

TRUE NORTH SERVICE SAFTEY GUIDELINES

What we're doing...

Registration -- Due to reduced seating, advance registration for services is required. Current service experiences include reduced capacities in all aspects of facility usage.

Sanitization -- All high-volume areas will be thoroughly sanitized. Restrooms will be available and frequently sanitized. Hand-sanitizing stations will be placed throughout the building.

Miscellaneous -- Masks will be available on-site upon request. All on-seat materials, papers, and pens will be removed. All resources will be made available online.

How can you help...

In the last 14 days, if you have been experiencing symptoms of a cough, runny nose, shortness of breath, fever, or if you have had in-person contact with someone diagnosed with COVID-19, please do not attend an in-person service and plan to worship with us online instead.

If you have a serious underlying medical condition or believe you are in a high-risk category, please continue worshipping with us online.
