

Next Study: **Your Move** by Andy Stanley
 “Your Move” Book - \$8.50.

Summary: We are constantly confronted with decisions we never anticipated having to make (relational, career, financial, parenting). To complicate matters further, the time frame for making a decision is often short and our options limited. So what do you do when it’s your move and you aren’t sure what to do? In this study you will learn about 4 questions that will help you make sound decisions with God’s guidance. You will also learn how decisions and their outcomes become a permanent part of your story, what to do when you feel the need to pause before taking action, and how to make more of this life by making sound decisions.
