

Due to the coronavirus, LifeGroups have been cancelled until further notice. See the update below.

ABEFC Coronavirus Response - Update

From: Lance Gentry

Dear Church Family,

In light of new recommendations from the federal government and the state of Colorado which include recommendations of avoiding groups greater than 10 people and maintaining 6' of separation between people, we have decided to cancel all off-campus group meetings including LifeGroups and Bible Studies. We know this further step is disappointing for many as it was one of the last places to maintain fellowship and in-person connections. As difficult as this is, we believe it is the right thing to do in both honoring our governmental authorities and in loving others by seeking to reduce the spread of the virus and "flatten the curve."

We encourage you to reach out to those in your regular groups with texts, phone calls, facetime, skype or even try a virtual meeting by trying Google Hangouts. This is a season for us to be creative in our connections and leverage our technological blessings to help bridge the gap.

Please reach out to me or any of the pastors or elders with questions or if you have any needs or just want to speak or pray with us. We love you and we will all get through this together.

Pastor Lance
