This fall has been one of the best.

The weather has been great, staff transitions have gone really well, and the feeling on Sunday mornings has been a blessing.

And now, the “Holiday Season” is coming fast.

Many churches ramp up activities during the holidays. With the upcoming ROOTED Celebration Banquet, Turkey Box distribution, and regular Christmas activities, the NWChurch is already busy. One of our goals is to actually slow down a bit during from Thanksgiving to New Year’s Day and encourage families to breathe, live, and take a break from what can be a very chaotic time.

To facilitate this for the congregation—on December 9, 16, and 23—we will host “family worship” sessions where our children stay with us for the first part of worship, then are dismissed for Children’s Classes during the sermon. During those weeks we maximize fellowship and reflection. It’s a great time to enjoy being together. On December 24, we will host our Christmas Eve service at 4:30 p.m. This earlier service time allows you to enjoy the candle-lighting ceremony AND be home early enough to enjoy family traditions. On the last Sunday of the year—December 30—we will gather in one worship service together at 10:30 a.m.

The reason we make these adjustments is to slow down a bit, allow our volunteers to get a small break, and to help the holidays be a season of faith more than a season of frustration.

I hope you’ll look through this **NEXT** booklet, acquaint yourself with the opportunities to get involved, and make an intentional decision to finish 2018 strong in faith.

Blessings to you and your family throughout the Holiday Season.

Transforming

Life and Community through Christ's Love

WHAT WE DO

The Northwest Church is a community of believers seeking to inspire people to follow Jesus and courageously love the world.

Holding to the truth and teachings of the Bible—
We practice unity,
believe in diversity,
and invest in mission.

Our gatherings draw a diverse cross-section of people who celebrate the freedom of Christ as we seek to restore the purity and grace of New Testament Christianity.

The mission of Northwest Church is to join God's Spirit in spreading His kingdom, calling all people to follow Jesus, transforming life and community through His love.

CONNECT

We **CONNECT** with people and the community

We **EQUIP** people so they can live abundant lives

EQUIP

WORSHIP

NWCchurch is launching ROUND 2 of **ROOTED**—a dynamic and impactful pathway to discipleship and relationship. It began in Nairobi, Kenya and has now spread to 20 countries and more than nine languages. If you weren't able to sign up for the first round, now is your chance!

ROOTED Groups will meet on Sunday evenings for ten weeks. You will be challenged to develop a life of daily devotions, active service, the practice of prayer and fasting, and transformative conversations with Christians.

All meetings will be held at the Community Life Center. There will also be programming for students and children, as well as childcare for preschoolers.

- **January 13 - 5:30 pm**
Kick-Off Banquet
- **Jan. 20 - March 24 - 5:30-7:30 pm**
ROOTED Group Meetings
(Skipping Feb. 3 - Super Bowl!)
- **March 31 - 5:30 pm**

ROOTED will require an investment of both time and money. Those who have made that investment have seen massive returns in their relationship with God and their purpose in life.

Keep praying for this major initiative of our Community Life Transformation at Northwest Church.

Adult Bible Classes from our Compass Ministry

Current Classes end Dec. 2

We encourage you to get connected with a Bible-teaching class on Sundays. It is far too easy to simply come to church and then slip out quickly. We want to get to know you better, so join us! Classes are offered during both first and second services. This allows you to attend both a service and a class—deepening your understanding of the Bible and building your relationships at Northwest Church.

During the first service - 9:10 am

- **Sacred Rhythms: Arranging Our Lives for Spiritual Transformation**
Room 108 | *Bill & Davitra Lawrence*
Join us for this overview and discussion of spiritual disciplines which will include practices around solitude, Scripture, prayer, self-examination, and discernment. This study will provide you with tools that you can use to deepen your spiritual walk with God.
- **Mark's Gospel: Hope for All**
Room 120 | *Garry & Linda Chapman*
People flocked to Jesus because they had hope in Him—hope for healing, acceptance, and victory. This gospel tells us that in Jesus, God has given us “a living hope.” Hope leads to patience, courage, and joy. It gives us stability and leads us to God's saving grace. It is one of the three things which last: Faith, Hope, and Love.

During the second service - 10:30 a.m.

- **Power From The Heavens: The Holy Spirit's Strength Within You**
Room 108 | *Marvin Smith*
This class will take a fresh look at the Holy Spirit. We will explore what the Bible tells us about the sometimes “forgotten God.” Jesus' last words to his disciples was a promise of the Holy Spirit which would provide them with the power to fulfill the great commission. This class will discuss whether that power is still available to disciples of Jesus today. For what work will the Spirit provide strength for you? Come hear stories from our community of faith at NWChurch.
- **Reflections on the Psalms**
Room 120 | *Charlie Elkins*
Let's dive deep into the passionate songs and poetry of Israel. The Psalms are heart-felt songs that were set to music and sung by the Jews to express praise, devotion, suffering, repentance, but, most of all, hope in God. We'll carefully dissect selected Psalms that reflect those common feelings and experiences. Join us!

**The current classes
will conclude
December 2.**

COMMUNITY LIFE GROUPS

Our mission is to promote discipleship through relational environments. God has called us out of our culture to be a distinct community of faith. It is in community life groups that we can share our lives as well as our journey of faith.

What Types of Life Groups are there?

At NWChurch we believe that people experience deep relationships with others and God in different ways, throughout our faith journey, so we try to promote the following types of groups:

Life Groups

These are traditional small groups that meet in a person's home or at the church for Bible study, along with food, fellowship and acts of service.

Affinity Groups

These groups are made up of people who share a common lifestage or theme. Examples of Affinity Groups are Moms Group, and Prime Timers.

Activity Groups

Activity Groups are comprised of people who regularly share an activity together. One example is our weekly NWC Volleyball Group

Coffee Groups

These are made up of people who want to study a certain book or engage in faith-related discussions over a good cup of coffee.

Ministry Groups

Groups formed for a specific ministry task that allows relationships to continue to grow. These might be short or long-term duration (Example: ESL Teachers)

Covenant Groups

These groups are joined by invitation only. They are created out of some need or desire by the leader for special connections and are temporary in nature.

How do I get involved?

You can now search for groups on our website. You can look for a group that meets on a certain day, is in your neighborhood, or by types of group. Once you find a group that interests you, simply click on **Join this Group** and you will be able to send a message to the group leaders requesting details of how to join.

We believe that the Junior High and High School years are an important stage of life. These students are the next generation. They are tomorrow's leaders and influencers.

Many members of our church family are a part of CR, but we've recently seen significant growth from the community. With this growth comes more opportunities for service.

Childcare: We are looking for volunteers who have a heart for children and a heart to help those who are working through issues. If you can provide childcare on Friday evenings, we'll provide the curriculum.

Meals: Our ministry is blessed with a number of people who already volunteer their time to prepare and serve meals to our growing participants. However, we still in need of a small group of individuals to prep and serve a meal once a month.

Please email us for more details on how you can serve God and others in this important ministry ■ info@CRNWchurch.com.

Health Ministry News 2018

The Health Ministry is increasing our capacity to serve our church and community. We have four experienced, skilled and compassionate nurses that are now in the process of becoming Faith Community Nurses. Antoinette Hill, Delores Orcutt, LeeAnn Robbins, and Beth Kim are all completing the accreditation to be Faith Community Nurses. A Faith Community Nurse is a registered nurse who has completed the “Foundations in Community Nursing” course and who combines both nursing and spiritual commitment in a healing ministry within a faith community. Faith Community Nurses do not do hands-on nursing, but work in partnership with pastors, churches, hospitals, social service agencies and the community.

We will work as a team along with our congregation and staff to address the primary health issues identified by the NWChurch Health Survey of 2017 and the Community Health Assessment of Snohomish County of 2018-19. We will need volunteers to work with us—especially those who indicated that they are interested in volunteering in specific areas of need.

The Health Ministry team is also participating in the training that prepares us to respond along with the Security Team to medical emergencies within our facility.

October: Breast Cancer Awareness Month

This is a good time to have your annual mammogram to detect early symptoms of breast cancer. When breast cancer is detected early and is in the localized stage, the 5-year relative survival rate is 100%. Early detection includes doing monthly breast self-exams, and scheduling regular clinical breast exams and mammograms. (National Breast Cancer Foundation)

Be sure to get your flu shot!

The CDC says that the single best way to prevent seasonal flu is to get vaccinated each year, but good health habits like covering your cough and washing your hands often can help stop the spread of germs and prevent respiratory illnesses like the flu. The tips below will help you learn about steps you can take to protect yourself and others from flu and help stop the spread of germs.

- Get vaccinated.
- Avoid close contact with others who are sick.
- Stay home when you are sick.
- Cover your mouth and nose.
- Wash your hands often.
- Avoid touching your eyes, nose, mouth.
- Clean and disinfect frequently touched surfaces.
- Get plenty of sleep, be active, manage your stress, drink plenty of fluids, and eat nutritious food.

The purpose of the Northwest Church Celebrate Recovery ministry is to fellowship and celebrate God's healing power in our lives through the "8 Recovery Principles." This experience allows us to "be changed."

Children's Ministry

We provide a Bible-based, age-appropriate community for children birth-6th grade. We invite every child into God's story, showing and sharing the love of Christ with them from the day they are born. Our desire is to stand with you in ministering to the family God has given you, assisting in laying a spiritual foundation to lead your child into a personal relationship with God through Jesus Christ.

Compass Ministry

The Compass Ministry is the adult education program at NW Church and its purpose is to offer high quality, challenging, life-impacting Bible classes that will be used by the Spirit of God to transform believers by pointing them to Jesus Christ, the One who gives Life.

NW Church strives to be a place where students can hang out with friends, have a ton of fun and figure out what God has for their lives.

Pastoral Care

We care for people by strengthening the weak, healing the sick, binding up the injured, bringing back the strays, searching for the lost, and serving the church with gentleness and humility is the role of Pastoral Care Ministries and teams (Prayer, Illness, Bereavement/Memorial Services , Weddings, Newborns, etc.).

Missions Ministry

The goal of the mission's ministry is to equip and mobilize the Northwest Church for cross-cultural ministry both locally and internationally.

First Impressions

We have a passion for welcoming and serving those who walk through our doors as guests. We strive to provide a loving atmosphere of care and acceptance as we welcome others and provide any informational assistance that they need. As our guests become our friends, we also strive to continue to minister to them and get to know them. Our eventual goal is to invite them to our Gateway experience where they can learn how to become partners and a part of our church family. In short, we want to be the face of Jesus to those around us.

Worship

The worship ministry seeks to create an experience of worship, praise, prayer and artistic expression. This experience centers around the sharing of communion, the teaching from scripture, and the utilization of Christian songs.
