

CODY MOORE
Student Pastor

Hello fellow Northsiders. It is summer time! Last Wednesday night our Summit Students kicked off summer with a talent show. It was awesome! We had 15 different acts and 73 youth and adults attended. I can remember this time last year with all the uncertainty if summer would happen. This year, we have a hope and can see the light at the end of tunnel of a hard school year.

Camps are happening. We have high schoolers going on June 21-25 to South Padre Island and junior highers going on July 12-16 to Palacios. We have a couple of students that are going to Super Summer. We have students that will be involved with VBS on June 13-17. We are having a movie and pizza night tonight, Wednesday, June 2. We have a Schlitterbahn trip on June 28, and we will also have an end of summer pool party on July 28 at the Victoria Country Club. If you would like to sign your students up for any of these events, you can go to nbcvictoria.org/events to register.

I don't know why summers are so impactful on students... if it's the amount of rest that they get, the amount of relaxation, or if it's just the break from school, but we always see God do some amazing things during the summers. We hope that this summer will be no different.

We are also hoping to continue to build stronger relationships with our parents and students and looking forward to all this summer holds. We also covet your prayers for the summer. The Sunday before we leave for camps, we will have a list of everyone going to camp that week and wristbands with individual's names on them. Pick up a list if you would like to pray for all, or wristbands if you want to pray for just one or a few that are going to camp.

We are already looking forward to fall when we will have youth worker training, National Youth Worker Training Day in September, and kick off a new school year. Thank you in advance for your prayers for our students, parents and workers. God bless!
