

CONSIDER ONLINE GIVING

We are pleased to offer **SECURE ONLINE GIVING**, on our website and in the Yakima Grace APP, as an option for individuals and families as they make choices about their giving. Online giving has several advantages such as managing giving from home and scheduling one-time or recurring gifts.

It also helps our Church Family better balance expenses and revenue on a monthly basis. To learn more, go to YAKIMAGRACE.COM/GIVE or call the Office, 248-7940x104.

“With online giving, I know that my gift to God through Grace is given the first day of every month - right off the top of my paycheck! Plus, it is super simple to give special gifts, like to Outreach Camp or Adams Giving Tree. I know that online giving really helps the Church to better plan for ministry. A real WIN-WIN! I LOVE it!”
