

Note for Parents

Blast Off is designed for families and children to learn more about being an "out of this world" witness for Jesus. This month we will be focusing on four stories from the New Testament that show us how to be witnesses for Jesus.

This resource includes the following:

- 4 Family Devotions (1 per week)
- 4 Games (1 per week)
- 4 Crafts (1 per week)
- 4 Space-Theme Snack Ideas (1 per week)

When is a good time to do these activities each week?

Use it on Saturday or Sunday and do all activities for that week in one day. Or spread out the activities over the whole week. For example, you could read the devotion before school one morning. Then another day do the craft, next day game, next day make the snack. Spending time together in God's Word as a family is so important. Once you create this habit, your children will want to do it every day and will remind you if you miss a day! These habits will hopefully form in your children a love of God's Word that will stay with them throughout their lives. You are building a foundation of God and His love into your children by spending time together in His Word.
