Setting aside a time to focus on God can be called a Daily Devotion or Quiet Time. It's an easy way to find out who God is, how much He loves you and how to live and love like Him. Devoting time to spend with God by reading your Bible everyday will really help build your relationship with Jesus.

The Bible Breakdown -- The Bible is broken into two parts. The Old and New Testament (agreements). The New Testament is an agreement between God and people and how He loved the world so much that He gave Jesus to show us how to live and love like Him. Each of the Testaments are broken into books. The books are broken in to chapters. The chapters are broken in to verses. For example, John 3:16 -- John is the book, 3 is the chapter and 16 is the verse.
See if you can find John 3:16 now!

Daily S.O.A.P. Devos --The Bible is God speaking to YOU!

Daily S.O.A.P. is a method you can use in your devo time. During your S.O.A.P. devo time, ask God to be with you, speak to you and thank Him for His words to you!

S.O.A.P.

Scripture -- Open your Bible to today's reading in the book of Luke. Take time reading it and allow God to speak to you. While reading, look for a verse that stands out or speaks to your heart.
Write it next to an S.

Observation -- Put the verse in your own words. What do you think God is saying to you?
Write it next to an O.

Application-- How does this verse apply to my life right now? Maybe God is showing you something to do, someone to pray for, or maybe He is just letting you know how much He loves you and is always there for you. Write that next to an A.

Prayer -- Write out word for word a prayer to God based on your reading. Write it in your journal next to a P.

It will be amazing how you much you will learn to live and love like Jesus!
