Sermon Musings - The Reformation

Luther Before the Diet of Worms by Anton von Werner (1843-1915)

Reformation Day is October 31 of every year. That is the day in 1517 when Dr. Martin Luther nailed his Ninety-Five Theses to the door of the Castle Church in Wittenberg, Germany. It was Luther's act that caused the initial furor that resulted in the Reformation. Luther had earned his Doctor of Theology degree in Wittenberg and was a respected professor there, as well as the assistant pastor of the Castle Church. His act of posting his *Ninety-Five Theses* on the door was the equivalent of publishing a journal article, taking out a newspaper ad, or putting up an Internet website today.

(continued)

Why Did Luther Post His 95 Theses?

Luther addressed a number of objectionable teachings and doctrines, including salvation by works and the practice of selling indulgences. These were actual certificates that people could purchase from the Church that absolved them of their sins and promised their salvation and eternal life. The Pope said that those who purchased these indulgences would be absolved of all sin.

Reformation Themes

Luther argued that salvation could not be obtained by purchasing indulgences, through works of charity, by making a pilgrimage, or by performing other acts of piety and devotion. *He argued that salvation was an act of God, given by grace through our faith in Jesus Christ.* God has already provided for our salvation by the birth, life, death, and resurrection of Jesus; and salvation is ours to accept through faith, not to achieve through works. *A second major theme of the Reformation is the priesthood of all believers, meaning that Christians do not need an intermediary between them and God.* It was the right and duty of all Christians to enter into their own personal relationship with God, to read the Bible and worship in their own language, and to pray directly to God rather than through another's efforts.

Importance to Us Today

The themes of the Reformation remain the great themes and principles of our own faith today. Reformation today can represent healing of old wounds as, together, we all work to build and strengthen Christ's church and love one another as Christ has loved us. We owe a debt of gratitude to all who have fought for their convictions and beliefs at any cost as we continue the work of building the Kingdom of God.
