The Road Map

Thank you for being willing to take the 30-day journey through the biblical view of the practice of worship. As you may know, worship is our response to who God is and what He has done that is reflected in every aspect of our lives.

For the next 30-days you will be challenged to understand what worship is or isn't, you will see pictures of worship, and finally you will experience ways to worship.

The journal is broken down this way:

First, you will take ten days to understand what worship is or isn't. In the Bible, God tells us how He wants us to respond to and interact with Him.

Second, for the next ten days you will see pictures or examples of worship. Sometimes it is easier to "see" what the worship God desires looks like.

In the last section, you will see ways of worshipping that you can begin to live out in your daily life.

As you read each passage of Scripture, ask yourself, "How can this passage add to my lifestyle of worship?" By the end of this journey may God grant you a proper understanding of what worship is, inspiration from the true worshippers found in Scripture, and a passion to live a life of worship.

God Bless you!

Now that you have finished the 30-day journey on the practice of worship, hopefully you see that worship is a matter of the heart. It comes from a deep love for the Lord that is manifested in ALL our lives.

Take time to write out a simple commitment to worship the Lord in all you do:
