ENCOUNTERING CHRIST

Last month in our newsletter we talked about personal spiritual growth. If you're not growing, you're not healthy! This also applies to the church. The question is - how does the church grow. Well I would suggest this thought - there is qualitative growth and quantitative growth. Qualitative growth is spiritual growth and quantitative growth is numerical growth. I believe our church is beginning to excel at spiritual growth, but we are lacking numerical growth. I think the fair question is how do we achieve spiritual growth? To put it another way, how do we reach people and incorporate them into the church?

To be honest, it's really not hard! All that is necessary is a heart and excitement for Christ and the church. When we have excitement, we naturally will share and invite people to church. All we need to do is share and invite - that's it. We discussed that on Good Friday (if you missed this teaching download our app and watch the video - app.srbcc.com).

So I challenge you this month to identify ONE PERSON to invite to church. You are key to our growth - don't let us down!

-Pastor Steve

SRBCC Learning Through Loss Support Group

Summer Season Schedule

Tuesdays in May
Meet in The Chapel @ 1:00 pm

Learning Through Loss is a support group for persons dealing with grief. Sooner or later we will face serious loss and grief and the grief process is not easy. Our grief process is unique to us and this group helps provide tools for dealing with our grief journey. Tools for navigating grief include talking with others, studying techniques that have helped others, journaling and vocalizing our thoughts. This faith based support group welcomes all who are facing grief.

Our leaders are CC Whittinghill and Robin Tharpe.
Everyone experiencing loss is welcome to attend.
For further information contact the church office @ 850-267-2599.

KALEO STUDENT MINISTRY

This summer, Community Church will again have the privilege of hosting 90+ students and leaders for **KALEO 2022** from May 23rd through July 29th. **KALEO** is a Student Mobilization ministry to college students that equips them in discipleship and evangelism. Students come from their respective colleges to communities across the United States for the sole purpose to partner together in missions and grow closer to the Lord. The students who will be coming to our area this year are from either University of Central Arkansas or Missouri State University.

They each find a local job in the community working 35 hours a week and are committed to meet regularly for small group Bible study, large group training and weekly missions projects—all of which provide opportunities for them to share Christ's light and love. On Sundays, the students will worship with several churches in our local area, including ours. Please begin praying for this wonderful ministry, that lives will be impacted for Christ this summer.

I know you will make them feel welcome and enjoy their presence with us.

WE ARE VERY EXCITED TO ANNOUNCE OUR NEW . . .

DIRECTOR OF FAMILY MINISTRIES

-MS. NICOLE KIBLER-

JOINING US IN JUNE

The church has hired Ms. Nicole Kibler to be our **Director of Family Ministries!**

Ms. Kibler was the unanimous choice of our search committee and approved by the Board of Directors. She will be joining our staff and church in mid-June. She is currently finishing her Master's Degree at Stevenson University in Maryland. Having spent much of her life in the church, Nicole has a great sense for the importance of Christian community, Christian commitment, and raising up a new generation of disciples. She has spent time working with both children and youth in settings like VBS, youth retreats, and Sunday school.

Nicole has a boyfriend who is in the Marines and will be stationed in Pensacola. When she arrives in June we'll have an opportunity to welcome her to our community in an official way. Until then, please be in prayer for her transition to our beautiful community.
