CONNECTION

How do you know if Community Church is successful? Certainly, it can't be just about attendance or finances; there has to be something more. The good news is that we don't have to guess. God provides us a sort of blueprint to make sure the church stays on track and is accomplishing its mission or purpose. This blueprint is found in the *Great Commission* (Matthew 28) and the *Great Commandment* (Matthew 22). There are five pieces to this blueprint -

worship, connect, grow, reach, and serve.

The church is successful when it emphasizes all five of these pieces or purposes.

"We Resolve" is the title of our sermon series for the month of January. Playing off the idea of New Year's resolutions, each week I'll be looking at the importance of each one of these pieces or purposes and resolving to focusing in on each one during the new year. Starting in the February newsletter, each month one of the purposes will be highlighted and talked about in more detail.

I'm glad you are on this journey with me at Community Church. This is going to be a great year of ministry and community!

Search Committee Update

As many of you know Community Church has just recently launched a search committee. Chaired by Gayle Lockwood, the purpose of the search committee is to help identify an individual who will be responsible for spearheading a new family ministry here at Community Church. The committee had its first meeting in December and plans to meet at least monthly until a person is hired. The congregation will receive an update on the progress of the committee in the newsletter.

Please be in prayer for the committee and those involved. If you have questions about the process, please feel free to reach out to a committee member. Thanks!

Learning Through Loss Support Group

Learning Through Loss completed this years program with an ecumenical remembrance candle lighting and healing service. The service reminds us how much God loves and strengthens us. From my personal perspective it was encouraging and empowering. Sincere thanks to all who made it possible.

We will take a break for a few weeks from meetings but look forward to resuming them in January. The meeting schedule is January 18 and 25 and February 1, 11, 18 and 25. We will meet in the chapel at 1:00 pm. We are very pleased that C C Whittinghill and Robin Tharpe will continue as our leaders. We thank them for their faithfulness, prayers and heartfelt concern for each of us

All who are dealing with loss are welcome to attend. For information contact the church office or Gerry Rector. The next group is scheduled for January **18th and 25th @ 1:00p in the Chapel.**
