

## Luke - Jesus Pressed On

### April 5, 2020

---

The account of the Triumphal Entry is one of those Biblical accounts that we have heard numerous times. Read Luke 19:28-40 and John 12:12-19 paying close attention to the different points of view.

- What were the disciples thinking as Jesus rode into Jerusalem?
- What were Jesus' religious opponents concerned about as the crowds shouted, "Hosanna!"?
- What was the crowd looking for from Jesus?
- What did Jesus mean when he said the rocks would cry out if his disciples were silent (Luke 19:40)?

Jesus pressed on into the events of that week knowing where it would end up. Read Hebrews 12:2. What was the reason Jesus kept going?

What is the impact in our lives that Jesus pressed on through the agony of the crucifixion and the victory of the resurrection?

Jesus pressed on through that week so that we might press on in these days. Read Hebrews 12:1-2 together. As followers of Jesus, how do we run the race today?
