

Asking for a Friend: Raising PG Kids in a MA World

May 10, 2020

What are the influences that impact children in today's world? What positive messages may they hear? What negative messages may they hear?

The Hebrew people left Egypt after being enslaved for generations. One of the ways God brought them together as a people was to share His heart for families. Read Deuteronomy 6:4-9 and answer these questions:

— What does it mean to love the LORD with all your heart, soul and strength?

— What are we teaching and talking about with the next generation?

— How can we model our love for God in the way we daily live?

The Bible has much to say about wisdom. Read Proverbs 3:5-8. What is the promise of these verses? How does trusting God result in wisdom?

How can we encourage the next generation to pursue godly wisdom and practice Biblical discernment?

Growing in wisdom and discernment is not just a challenge for youth. How can you grow in wisdom and discernment in your daily walk with God?
