

## Asking for a Friend - What Should We Expect?

6/7/2020

---

What is your plan for church for the next few weeks? Will you be attending in person? (Register at [community-church.com/church](https://community-church.com/church)) Are you going to host or attend a watch party?

What are you excited about for the reopening of in-person services? What are you apprehensive about?

Read Galatians 3:28-29. What does this passage teach about who can follow Jesus? Does this mean that differences don't exist?

Read Acts 6:1-7. What's the difference between a Hebrew and a Hellenist? What was the concern the Hellenists raised? How did the Apostles respond to this conflict? What does this teach us, if anything, about how we should respond to racial tensions in our country?

Read Revelation 9:7. Heaven will be filled with people from every tribe, tongue, and nation. Does this mean that the church should strive to look like this now?
