

Campbell Quick Update

We believe that accurate, clear and natural translation of the Bible leads to life transformation.

You and I are involved in one of the greatest movements in history. We have the privilege of helping translate Scripture so the whole world can know God in a language and format they can clearly understand.

Although Mimi was familiar with Scripture in another language, this was the first time she was hearing it in her own language. "Is this the Bible?" Mimi asked. The translator nodded. In that moment, Mimi realized that the message of the Bible had been foreign to her. Now, hearing it in Ndokwa, the Bible had come home to her

heart. After listening to more of God's Word, Mimi and her daughter decided to follow Christ that day!

Millions of people are still waiting to meet Jesus through Scripture. You are part of making that a reality for them through your partnership in our Wycliffe ministry.

Jesus said, "Heaven and earth will disappear, but my words will never disappear" (Luke 21:33, NLT). Thank you for helping translate those eternal, life-giving words so everyone can know and follow Him.

Spring has come and dreary winter's over (or hopefully over, anyway). Spring is a time of new life as we see flowers beginning to bloom, the grass turning green and budding leaves. It reminds us of the new life found in Jesus through His death and resurrection. Our prayer is that you will find new life and new hope in Jesus as you celebrate this Easter season.

We are grateful for the hope and new life found in Jesus. It encourages us to continue on with what God has called us to do in the work of Bible translation. We invite you to partner with us in bringing God Word to ALL people so they too can experience the hope and new life that only comes through a relationship with Jesus Christ. Thank you for your prayers and partnership in our Wycliffe ministry.
