1/12/20

Have you ever done a detailed family tree of your ancestors or gone to [ancestry.com](https://www.ancestry.com)? Did you find anything unique or interesting?

Read through Luke 3:23. What is the first thing that Luke mentions in this section of Scripture? Do you think it's important? Why?

Read Luke 2:23-38. As you are reading underline any familiar names that you have heard before in Scripture.

Why do you think Luke includes a genealogy in the account of Jesus' life? Why do you think it is different than Matthew's genealogy of Jesus?

What is the main reason why Luke shares Jesus' genealogy? Look at v.38 to see who Luke ends the genealogy with.

Luke says in v.23 that Jesus was beginning his ministry...what was Jesus' ministry? Why is this genealogy important to Jesus' mission?

Read Luke 19:10. What does this verse say about Jesus' ministry?

How can we be people who continue Jesus' ministry here in our home town? Make a list of ways.
