

## Luke - Lost and Found

### 3/15/2020

---

Spend some time praying for our nation and our elected officials. This is a complicated time, but we trust in the Lord! He hears our prayers!

Read Luke 15:1-24. What does this passage tell us about God? What does forgiveness look like?

Read Luke 15:25-32. Why is the older brother so upset? Do you think it's appropriate for him to be angry? Why or why not?

In referencing Jeffery Dahmer (who was a mass murderer that supposedly came to faith in Jesus while in prison), a college professor once said, 'if Jeffrey Dahmer is in Heaven, I don't wanna go there.'

The parable of the prodigal son highlights God's grace and mercy toward someone who repents. Be honest, are there individuals or people groups that you'd be upset with God saving? Why or why not?

Who are you in this parable - the younger brother or, the older brother? Why?
