

# Summer in the Psalms - Lord, Make it Right!

## July 25, 2021

---

How many gods are there? How do you know?

Read Psalm 82:1. What is a divine council? What does it mean to hold judgment 'in the midst of the gods?' (Leader tip: For more info on this, watch the Bible Project videos regarding 'Spiritual Beings')

Read Psalm 82:2-5. Why is God casting judgment on these other 'gods' according to these verses?

This psalm is all about God being a God of justice. If we are to be God's ambassadors here on earth (2 Corinthians 5:20), how important is it that we stand for justice?

How are we, as followers of Jesus, to do justice in the world around us? Is there a right way? A wrong way?
