The New Normal: Love in a time of Selfishness
January 10, 2021

1. How would you define love? How does the world define love?
2. We are saturated in a world of selfish love. Come up with some examples of how you see people loving in selfish ways.
3. Read 1 John 4:7-8. What are some insights from these verses? Make a list of how the bible speaks about love.
4. Read 1 John 4:9-11. What example are we given in these verses of perfect love? In what ways is our love different than this example?
5. Read 1 John 4:12-18. What two words do you see repeated in these verses? What is the correlation between them?
6. What is the key to loving the way that God loves? Read John 15:5 for insight.
7. How can you practice the presence (ABIDE) of Jesus this week?
