

**Community Church**  
**Your God is too Small : Glory**  
**March 14, 2021**

---

- 1) Can you think of the last time you looked at a sunrise or a sunset or into the night sky and went, "Wow! Look at that!" What stirred you to say that?
- 2) This past Sunday we explored God's glory. Read Psalm 19. How does creation reflect God's glory? What does creation tell us about God?
- 3) According to Romans 1:20, what does creation show all people about God? What does Paul mean say when he wrote, "they are without excuse"?
- 4) In Psalm 19:7-11, David writes about how God has revealed Himself through the teachings of His Word. What does God's written Word tell us about who God is?
- 5) Paul talks about Scripture as being God-breathed. In 2 Timothy 3:16, what does Paul say about the importance of exploring the Scriptures?
- 6) Creation declares God's glory. The Word reveals God's glory. In reading Psalm 19:12-14, how do God's people reflect God's glory?
- 7) As you go back over Psalm 19, and you ponder God's glory, how can you reflect God's work in your life today?
