

Community Church
Hope In Uncertain Times : Lives Worth Imitating
April 18, 2021

1. Read Romans 10:15. Have you had any opportunities this past week to share the good news of Jesus with others? How did it go?
2. Have you ever received a progress report or a yearly review? What was your experience?
3. 1 Thessalonians 1 is Paul's progress report of the Church in Thessalonica. In verses 2-3 what are the three key areas of his report for the Church?
4. If God were to give Community Church a progress report, what do you think He would say?
5. Read 1 Thessalonians 1:4-8. Paul says in v. 4 that they were "chosen" by God. What evidence does Paul give in the following verses that they are "chosen"?
6. Read 1 Thessalonians 1:9-10. Paul was hearing from others about the Church in Thessalonica. What were they saying about the Church according to these verses?
7. Look at the end of every chapter in 1 Thessalonians. How does Paul end every chapter? What is the focus? Why do you think Paul does this?
