Unshakeable - Hebrews 6:13-20
March 20, 2022

1. Take a moment and read through Hebrews 6:13-20. What verses jump out to you? Why do those verses stand out?
2. When reading this passage, you see the number of times it refers to God swearing an oath. How does that square with Jesus telling his disciples to let your “yes be yes” (Matthew 5:37) and His calling out the Pharisees in Matthew 23:16-22?
3. On what grounds did God make His promise to Abraham? What are the two unchangeable things that God will come through on those promises?
4. How are you encouraged by knowing God will fulfill His promises to His people?
5. What promises from God’s Word serve as an anchor for you today?
