

**Community Church**  
**Core Values - EMPOWER**  
**September 19, 2021**

---

1. What does the word “empower” mean?
2. This week we explored the value of *Empower*. Jesus equipped and released His followers to serve the LORD and serve others. In Matthew 5:16, what did Jesus say happens when His followers serve others?
3. Followers of Jesus are people who are sent according to His teachings in John 20:21 (and Matthew 28:18-20). What did Jesus mean that we are sent? Where has the LORD sent you?
4. We do not serve God and others in our strength, but according to what God provides. According to Acts 1:8, how does God empower us? How does God the Holy Spirit equip us?
5. We have all heard the expression, “Bloom where you’re planted.” The prophet Jeremiah is saying so much more than that to a group of people who lost perspective. What does the LORD say through the prophet in Jeremiah 29:7? How do they work for the betterment of the city? What is the result?
6. How can you be that person today who is a blessing to those around you?
