1. What is a word picture that you would use to describe the Bible?
2. How does God speak?
3. Read Hebrews 4:12-13. What does it mean that God's Word is living? Read John 6:66-68.
4. What do you think it means when God says that His words are active? The Greek word for active is where we get our English word energize.
5. Why does God use the picture of a double-edged sword to explain what the bible can do?
6. How does the bible penetrate us as followers of Jesus?
7. The word discerning in verse 12 literally means to trace out the thoughts of the mind. What do you think God is saying about His Word according to that picture?
8. What are some rhythms or habits that you can develop to better study God's Word?
