3. We said on Sunday that kindness is a generosity of attitude, but goodness is a generosity of action? What does that mean to you?
4. Read Luke 10:25-28. What is the context of what is happening in this passage? Any insights or questions as you read these verses?
5. Read Luke 10:29-32. How would you describe these two people? Why do you think they passed on the other side? In what ways have you done this in your own life?
6. Read Luke 10:33-35. What did the Samaritan do differently than the Priest and the Levite? What insights about goodness do you see in the Samaritans example?
