Unshakeable - Hebrews 1:1-4
January 9, 2022

1. What have been moments in your life when you felt like the world as you knew it was shaken?
2. Read Hebrews 1:1-4. What does the author mean that God spoke long ago in many ways? How does God speak in these last days?
3. What are the descriptions of the Son we find in these verses? Who is the Son? Which description captures your attention?
4. One of the themes we will encounter throughout Hebrews is that the Son is superior to the angels, Moses, the Law, the Prophets and religious systems. If the Son, Jesus Christ, is greater than all these, what does that say about our questions, doubts and struggles?
5. How do these descriptions of the Son, Jesus Christ, stir your heart towards worship?
