1. “Pay attention!” You may have heard those words of advice from a parent or a teacher at some point. Can you think of a time when you had to be reminded of that? What happened in those moments when you didn’t pay attention?
2. In Hebrews 2:1-4 the author of Hebrews challenges followers of Jesus to “pay much closer attention.” What is to be the focus of their attention? What is the result when they don’t?
3. Take a moment to review the descriptions of the Son found in Hebrews 1:1-4. The author uses a quote from Psalm 8 to make a connection to Jesus. Read Hebrews 2:5-9. What is the relationship between the Son and Jesus?
4. How would Jesus’ death and resurrection to glory be a source of hope to those who are hurting? How does it encourage you?
5. The call in this passage is to keep the attention of our hearts on what God has said and done for us. How can you be encouraged today to keep looking up to Jesus?
