1. Who has had an impact on your life? As they walked through life, what characteristics did you observe?
2. This week we explored the life of Enoch. Read Genesis 5:21-24 and Hebrews 11:5. What characteristics of his life jump out at you?
3. We don't know exactly how Enoch walked with God but that walk was by faith. Hebrews 11:1 and 6 help us to understand faith. What is faith? What is it not?
4. Followers of Jesus are called to stay in step with the Holy Spirit (read Galatians 5:25). What does staying in step with the Spirit look like?
5. How is your walk with Jesus doing? Who or what has God provided for you to walk in the way that pleases Him?
