**Unshakeable - Hebrews 5:11-6:3**  
**March 6, 2022**

1) Read Ephesians 4:11-16. Why is it important that we grow?

2) Read Hebrews 5:11-14. What is the author of Hebrews rebuking his audience for?

3) What does Hebrews 5:14 say is a mark of maturity?

4) Take some time to discuss whether these ideas below are 'good' or 'evil'. Some questions to consider: Are these statements fully true? Do ideas have to be fully true for them to be 'good?' How do these ideas, if we allow them deep into our souls, affect how we function?

- God is love.
- I am somebody because Jesus loves me.
- God is my only hope.
- God will forgive me when I sin.
- If I sin, I have to confess so God will forgive me.
- If I trust in God, He will take care of me.
- Sin hurts.
