Unshakeable - Hebrews 10:19-39
May 1, 2022

1. Let's think back over our journey through Hebrews. What have you learned about Jesus Christ through the first ten chapters?
2. The author of Hebrews says that we can live in confidence. What does the author say is the foundation of our confidence in Hebrews 10:19-21?
3. Hebrews 10:22-25 gives three strong encouragements to those who read this letter. What are those three? How do we practically do them?
4. Verses 26-31 are challenging! What is the message to those who turn away from the Gospel of Jesus Christ?
5. How did a "better possession and an abiding one" (verse 34) give Christ-followers confidence to endure hardship?
