Manifest - 1 John 4:1-6
November 28, 2021

1. Start off by reviewing the ground we've covered in 1 John. What points have challenged you? What encouragement have you received in this short letter?
2. Read 1 John 4:1-6. John gives two imperatives (things to do) in the first verse. What are those two commands? What is John's concern?
3. What does John say in 1 John 4:2 is the core issue that helps Christ followers to discern what is authentic and what is not?
4. What does that confession — "Jesus Christ came in the flesh" — say about God, about us, what God did on our behalf, and our response?
5. What is the confidence that John shares in 1 John 4:4? How does the encourage you?
