The New Normal: Patience
January 31, 2021

1. Read 2 Corinthians 5:20. What is an ambassador? What does it mean for us to be ambassadors for Christ?
2. How do you define patience? How is it different than being passive?
3. Is God patient? Name some Bible verses that show us that God is patient. (Leader tip: Read Exodus 34:6-7. When the Old Testament was translated into Greek, the word used for 'slow to anger' is the same word used for 'patience' in Galatians 5:22.)
4. Since God is patient, why is it critical that we, as His ambassadors, are patient? How can our patience in a world of anger and outrage be a tool for evangelism?
5. Read James 5:7. According to this passage, who are we to be patient with? For how long? Are there limits on patience?
