Summer In The Psalms : Psalms 90
August 8, 2021

1. Do you know who your great-great-grandparents were? What do you know about them?
2. Read James 4:14. James says that our lives are like a vapor. Why is this imagery important?
3. Read Psalm 90:3-6. Most of us will not be remembered in 150 years. How does that make you feel?
4. Read Psalm 90:12-14. Why must we learn to number our days?
5. How do we find satisfaction in the Lord? How does it lead to joy and gladness?
6. Read Psalm 90:1-2. What does it mean that the Lord is our dwelling place? How is this reality amplified as we consider the everlasting nature of Jesus?
