

Happy New Year!

Although 2020 was lackluster in many ways, **I have so much to be thankful for!** Here are a few highlights:

- Centerpoint Church kicked off with a solid and large launch team amidst difficulty meeting new people.
- ELIZA - She is doing great!
- Our house being rebuilt after the fire in both a beautiful and quick manner!
- A loving and servant-like wife, who has been a solid spouse and partner to get through all personal and church things together.
- A growing church! Our average kept growing and we ended with an average of 80 people every Sunday!
- A giant Christmas Eve service - 250 people!
- Being fully funded by our financial supporters!
- Continuous comments of life change happening from our attenders!

2020 was amazing for Centerpoint... but we definitely are not slowing down!

This year we will continue to push harder than ever to continue to reach more and more people in Fond du Lac! We cant wait to update you on the continuous life change and excitement of things happening at Centerpoint Church!

Thank you for your continuous support!
