

Hi All,

I just wanted to send you a quick positive note to start your week off! Centerpoint Church has been consecutively growing by about 15 percent each month since November! It's been amazing!

This summer we will be planning our first baptism and we can't wait to share some of the public life change that is happening in people who are attending Centerpoint Church and are either starting a relationship with God or growing in their relationship with God.

Thank you for believing in our mission and helping us continue to make an impact in Fond du Lac!

Aaron

PS - I thought you could use a smile by seeing Eliza helping at our Easter Egg hunt!
