

HOW TO READ YOUR BIBLE

January 9, 16, 23 | February 6, 13, 20, 27 | March 6, 13, 20, 27

We all agree that we're suppose to read our Bible, but how are we suppose to understand it and apply it? Let's be honest, it can be a complicated book that was written several thousand years ago in an entirely different language and culture. It can be a challenge, but during this class we'll explore some of the tools we can use to help to appropriately read, understand, and apply the Bible.

CHRISTIAN DISCIPLINES

January 2, 9, 23

We, as Christians, are suppose to continue to grow in our relationship with Jesus and grow up into maturity in Him. But have you ever felt like you're just in a rut? Or like you don't know how to grow?

This class will explore some tried and true disciplines that Christians have practiced for millennia to grow in Christ - things like studying the Scriptures, prayer, fasting, silence & solitude and much more.

WHY BIBLE TRANSLATION?

January 16

In the fall Foundations class we studied, "Where Does Your Bible Come From?", but what if you didn't have a Bible in a language you can understand?

Come explore the ministry of Wycliffe Bible Translators and hear from Doug and Bernie Campbell about their Wycliffe ministry.

STARTING POINT

January 9, 16, 23 | February 6, 13, 20, 27 | March 6, 13, 20, 27

If you're new to Community Church, we'd love to have you join us for Starting Point, where we'll share a bit more in-depth about who we are as a church and how you can grow with us!

TACTICS

February 6 + 13

A game plan for discussing your Christian convictions.

YOU'RE GETTING MARRIED

March 27

If you're planning to get married at Community Church within the next year, your first step is this class during the Foundations hour. We'll talk about the process of setting up a date, getting connected with a Pastor, and the Premarital Counseling process!

WHAT IS THE GOSPEL?

February 20, 27 | March 6, 13

Whether you are a newer Christian, a skeptic looking for answers, or someone who has been in church circles for many years, it is vital to understand what we as Christians mean by 'the Gospel.' Over these 4 weeks, we will investigate together what the Bible says about sin, how Substitutionary Atonement works, and the relationship between having 'Faith in God' and doing 'Good Deeds.'

We will conclude by establishing a process by which we can better articulate our testimonies in a simple and meaningful way.

BAPTISM

March 20

Jesus commands us to be baptized - but why? Join us as we discuss the why behind baptism as well as how we do baptism here at Community Church. If you're interested in being baptized, this class is for you!
