

# EQUIPPING PROGRAM

LOVING GOD WITH OUR HEARTS AND MINDS

## INFORMATIONAL MEETING

2021-2022

### EQUIPPING PROGRAM DESCRIPTION

The Equipping Program is a one-year discipleship program that immerses participants in Scripture's grand narrative. The program is constructed upon four pillars: Christian Story, Christian Doctrine, Christian Worldview, and Christian Formation. By weaving together these four pillars into a holistic approach to discipleship, men and women have the opportunity to grow in their love for God, Scripture, and His mission. The class meets once a week over a traditional academic calendar (nine months.) Class sessions consist of lecture, cohort discussion, and Q & A.

#### CHRISTIAN STORY

All major historical-redemptive events in salvation history point to and are fulfilled in the person and work of Jesus Christ.

#### CHRISTIAN DOCTRINE

All Christian theology is rooted in Scripture and is the foundation to worshipping the one true God.

#### CHRISTIAN WORLDVIEW

The Christian worldview is different from all others. Understanding the differences is essential for Christians to live counter-culturally with a heart to reach the lost.

#### CHRISTIAN FORMATION

Christian Story and Doctrine shape and form God's people into servants, worshippers, and disciple-makers who are fluent in gospel-responsive living.
