## TOOLS /// FOR CAPTURING MOMENTS

### Make a poster of God's goodness:

Look through magazines and newspapers and find things that God has provided for everyone that He has made! Talk about the good gifts that God has given specifically to His children: salvation through faith in Jesus, a relationship with Him, the Holy Spirit living inside all of God's children, etc.

### Practice the memory verse:

Psalm 126:3 helps us to remember that God's Word will last forever even when the things around us are always changing. God and His Word is unchanging!
