Pastor Tonye

Pastor Tonye is returning on **September 18-19**
He will be teaching at all Saturday night and Sunday morning services that weekend.

Construction Update

We are nearing the completion of the basic construction of the Grand Staircase and Elevator. This will allow us to occupy the two new classrooms upstairs that were generated by the construction of Noah's Ark. We believe that God wants to use Hope Academy to reach the children of our community with the Gospel through Christian Education.
