**Barn Builder Ministry** is back in action. A group of folks from EBC will show up on a Saturday morning (8-12) and help with projects you have. If we are coming to your place it is your responsibility to organize the project and provide the materials for the project(s). The more organized you are; the more we get done in the allotted time. The projects are on a first-come first-serve basis with priority given to people whose home we have not previously been to. Send in your request (rickmaiersebc@gmail.com) and a few potential Saturdays that work in your schedule. One project/month.

**Free the Girls** ([https://freethegirls.org/](https://freethegirls.org/))

Another box with 8 lbs of bras was sent from EBC!. Thank you for your donations!

Mission: We exist to help women rescued from sex trafficking reintegrate into their communities. Vision: We see a world in which previously enslaved women are leading vibrant, successful, integrated lives. Survivors can earn a safe income selling bras in the second-hand marketplace. There is a collection bin in the hall near the office. Questions, please contact Angelica Maiers (angelica@forestecology.com).

**III. Prayer/Events/Help**

**We are in need of volunteers to help in the sound booth!** We need people to run the lyrics, cameras, lights, soundboard, live-streams, etc. Please email Rick (rickmaiersebc@gmail.com) if you are interested in the upcoming training. This is developing into more of a production than a simple recording/streaming and if you have interest in this sort of thing it is a good time to get involved!
