Barn Builder Ministry is back in action. A group of folks from EBC will show up on a Saturday morning (8-12) and help with projects you have. If we are coming to your place it is your responsibility to organize the project and provide the materials for the project(s). The more organized you are; the more we get done in the allotted time. The projects are on a first-come first-serve basis with priority given to people whose home we have not previously been to. Send in your request (rickmaiersebc@gmail.com) and a few potential Saturdays that work in your schedule. One project/month. August & Sept. are already spoken for. Get on the calendar! The next scheduled project is on Sat., Sept. 12 from 8-12. Stay tuned for details.

Free the Girls (https://freethegirls.org/)
Mission: We exist to help women rescued from sex trafficking reintegrate into their communities. Vision: We see a world in which previously enslaved women are leading vibrant, successful, integrated lives. Survivors can earn a safe income selling bras in the second-hand marketplace. There is a collection bin in the hall...

III. Prayer/Events/Help

College Ministry.
If you are interested in hosting a college meal and Bible study in your home on Sunday evening please contact Daniel Thompson (once a month/quarter). Instructors provided.

Starkville Pregnancy Center.
Please click here for information on the “Walk of Heroes” information. It is a family friendly two mile walk to raise funds for supporting our community. This will be on Oct. 24 this year. See link for details.

Starkville Pregnancy Care Center has the Baby Bottle Boomerang again this year. It is happening virtually! EBC has been a generous supporter of this. Please continue the trend by following the directions on the picture below.
**EBC Baby Corner.**
Emmanuel Family/Extended Family Baby news: We have two families in our fellowship who will be welcoming new babies soon or in the near future.... Daniel & Amber Brown and Josh & Erica Horton. We will have meal train sign ups which we will work out with these families, so keep up!

In our extended family, James & Rachel McKibben’s baby boy Carter will make his appearance in early September. Further on into the year, Kevin & Mary Lowry (Nemeth) Vollema, Josh & Anne (McKibben) Watts and Jim and Candace (McGee) Feazell and Kelli (McGee) and Nathan Plunk will welcome babies. Stay tuned.

We are in need of volunteers to help in the sound booth! We need people to run the lyrics, cameras, lights, soundboard, live-streams, etc. Please email Rick (rickmaiersebc@gmail.com) if you are interested in the upcoming training. This is developing into more of a production than a simple recording/streaming and if you have interest in this sort of thing it is a good time to get involved! Thank you to all that have helped. Encourage others to participate. Fun ministry.
