I. Did you Know?

We have figured out a lot of the glitches in our live-streaming over the past month or so. We are now at the point where we can confidently say most of the problems we have are due to our outgoing internet problems. Hopefully we will get fiber out in these parts soon.

This week Sunday School with Dr. McKibben & the Main Service will be pre-recorded and released at 10 a.m. and 11 a.m., respectively. Due to pre-recording it will be great quality with no interruptions. Zoom will be on between Sunday School & the Service and after the service so we can visit.

There will be a decision made regarding how we are going to proceed with the services in the near future. As of writing this next week is yet to be decided. Please be in prayer that the right decision is made for our church.

Led by Dr. Everett McKibben.
