Dear fellow laborers in Christ,

December 1, 2021

It's the most wonderful time of the year! We have much to be thankful for as we reflect on the goodness of God and the salvation that was given to us through Jesus Christ! If we could begin a list of how good God has been it would be endless! I'm thankful for the opportunity that He has given our family to serve Him in the ministry! There is no greater calling or service than to our Lord and Savior, Jesus Christ!

What seemed to be a slower month as we approached November, turned out to be quite busy with much traveling. We were able to spend most of the month with Daci's family in southern Louisiana before leaving for Germany. The time that we got to spend with our families was special and timely. Daci and I had the wonderful opportunity to take a trip to Germany for a few weeks in order to get familiar with the area and Grace Baptist Church. We have attempted to take this trip several times over the past few years without success. There were many nights spent with church members over dinner, exploring the surrounding villages for housing, going on to Ramstein Air Base, and learning as much as we could about the German culture. We already knew Germany was where the Lord wanted our family, but the Lord did something special in our hearts those two weeks. He made Germany our home and Grace Baptist Church our family! We are more than ready to be there with Grace Baptist Church and to serve God in reaching the U.S. Military.

There have been a few changes take place to our timeline over the past several weeks. We were set to depart to Germany on February 18, 2022. Through God's leadership and through the counsel of our pastor, we have decided to enter Germany on January 27th. This is due to many things happening with the country of Germany, the need for leadership at Grace Baptist Church, and the health of Pastor Craft. We have recognized and still know that this is God's work, and He is in control of all things. We are confident in His leadership and humbled that He would allow our family to have a part in serving Him. Please continue to pray for Pastor Craft and his upcoming surgery on December 10th to get his heart back to good health. Lastly, please continue to pray for those who would surrender to come and partner with us to reach our military. We are confident that the Lord will call but they must answer! We are grateful to be a part of your mission family. Your financial and prayer support has been a blessing to our family. Thank you for your friendship and partnership!

For His Glory,

The Kitchen Family
