Dear fellow laborers in Christ,

October 1, 2021

What a wonderful opportunity we each have, to introduce the world to Jesus Christ. I am forever thankful that we don't just have a religion but are in a relationship with our Savior. I am reminded of the words of Paul in Philippians 3:10 "That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;" Oh, that we would live each day determined to know Jesus more and more, even in time of suffering.

Thank you for your prayers for our family during the month of September. We covered many miles traveling to several locations throughout the month. We had the opportunity to be in several churches, missions conferences, and the GIBF meeting held at our sending church, Hillcrest Baptist Church. God used each of these meetings to revive, refresh, and reinforce His leadership, calling, and presence in our lives. What we anticipated to be a very challenging and exhausting month, turned out to be very fruitful. We had several churches partner with us to reach our U.S. Military! We thank God for these churches and all who have partnered with us during our deputation travels.

We have met many people who God has reached throughout the years by way of a military church. It is amazing to hear the testimonies and to see how these people have been used all over the world. There have also been many who have testified that they wished there would have been a church near them when they were in particular areas during their service. This breaks our heart and lights a fire in us about the work that is ahead concerning church planting all over the world. We need more churches and with those churches we need more labourers. We are asking you, our supporting churches, to begin to specifically pray that God would call more laborers into the field of military missions. "The harvest truly is plenteous but the labourers are few; Pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." We are grateful to be a part of your mission family. Your financial and prayer support has been a blessing to our family. Thank you for your friendship.

For His Glory,

The Kitchen Family
