How can I, except some man should guide me? Acts 8:31

Dear Pastor and church,

## Baptism

Since my last letter, we had the privilege of seeing a young lady get baptized in our church (see photo). A young man in our church, named Jan, had brought Tabea to church a while ago. She had been attending church services and hearing the Gospel for a while. After one of the Sunday services, I had the privilege of leading Tabea to the Lord. This was before COVID-19. Because of the shutdown, she was not able to get baptized until now. Tabea is a faithful church member – she is there for every service. It is with great joy that I can report that she is not only saved and baptized, but she is being taught to hold “whatsoever things I have commanded you” in her heart. Tabea is faithful and living a Christian life. Praise the Lord! Please pray that she will continue to grow in the Lord.

## Dresden Trip

Lately we have been doing more and more activities for the young adults. One of our outings in the past two months was a trip to the city of Dresden. Dresden is in the state called Saxony. I personally believe that Dresden is one of the most beautiful cities in Germany. The city of Dresden is a great place to travel to, not only because of its beauty, but the prices are also less expensive. The accommodations, such as lodging and food, are much lower compared to a lot of other cities in Germany. We enjoyed great fellowship together while being able to see some new sights. Please pray for the young people in our church, specifically for Jan, Wolfgang, and Tabea. Thank you.
