

Phos Welcome Back Guidelines

In order to keep everyone as safe as possible Phos will be following CDC guidelines for our worship service. Until we need more space we will be moving to one service at 9:30 AM.

(These are our guidelines for the foreseeable future. However, as guidelines evolve and new realities regarding the Covid-19 situation arise we will shift our guidelines and practices accordingly.)

Here are some things regarding Sunday procedures we would like for you to pay attention to, followed up by some important things to take note of like trying to use the restroom before you come.

Our Morning Procedure:

1. Please arrive at 4200 by 9:15 AM for the 9:30 AM service.
2. Cars will be parked strategically in the parking lot by our parking team.
3. As you arrive you may come on in or wait in line, while still social distancing, until the worship center is opened. (we will enter the building by bypassing the main front doors and entering through the side cafe door.)
4. All those who attend will enter the worship center through the side door in the video venue, where there will also be an optional temperature taking station.
5. All members will be seated in the worship center from back to front with 4 seats between each family unit.
6. Everyone will be asked to wear a mask at all times. Congregational singing is fine as long as you are wearing a mask. (for the purposes of leading worship, singers and communicators will not be wearing masks)
7. At the end of the service everyone will exit the building via the front left worship center doors.

Important notes to remember:

- * Wear a Mask at all times if you can.

* Use the restroom before you come. Bathrooms will be available but will need to be cleaned after each person uses them, so it will be very helpful if you choose to use them at home. Service will be around 40 minutes.

* No food or drinks will be allowed in the building.

* The Kid hall will be closed for the foreseeable future. Kids are welcome to attend worship with their families.

* Don't come if you are sick or showing any signs of sickness.

* Hand sanitize in the car (We will have some available if needed).

* If you are a regular attender please be prepared to give up your seat to a guest if needed. * We are still online if you can't be with us live, please tune in to watch on Facebook Live.
