September 13, 2021

Dear Neighbor,

The Central Baptist Church is marking 100 years of service providing health, educational, and welfare services and events to our community with a **100th Anniversary Jazz Gala** on Saturday, December 4, 2021 at Martin's West Baltimore. The Anniversary Gala will include a fabulous meal, live entertainment, and a copy of our souvenir journal.

The 100th Anniversary Gala will be an evening to reflect on the past 100 years and honor the accomplishments of the dedicated and committed volunteers, members, staff, and community partners who helped mold The Central Baptist Church into the premier beacon of light it is today.

Best of all, the proceeds help us to continue providing free, life-sustaining, and confidential services to the underserved individuals and families in our communities.

We are counting on community partners like you to help maximize the success of this event by purchasing advertising space in our souvenir journal.

- This book will include information about local businesses and non-profit agencies and services and a Business Index of all sponsors and advertisers that people will want to keep and use throughout the year.
- Event sponsors will receive a full page ad, special recognition at the event, 4 complimentary tickets, and a one-month-long complimentary listing in our online weekly church bulletin currently serving over 2,500 viewers monthly.
- You will also receive significant exposure for your business, since these commemorative keepsake journals will be distributed at the Anniversary Gala and also made available for purchase.

Moreover, sponsors receive recognition in all pre-event media information and on our website as caring and philanthropic community partners who are helping work towards making fundamental differences in the lives of the people in our communities.

If you have any questions or would like more information, please give us a call.

Thank you for your consideration. I hope that you will share in the success of our 100th Anniversary Jazz Gala and help bring about equitable advances in healthcare, education, and welfare opportunities.

Sincerely,

Sheron R. Blackwell
